Subject: Fw: Scheduling EPA non-directive comment meetings (reply requested)

See below for a long list of dates to meet with the LWG on our comments.  
We are expecting to have three meetings. I would like to target the following dates:

Tuesday, Wednesday and Thursday - September 14th through 16th.  
Alternate dates include Friday, September 17th, Monday, September 20th, Tuesday, September 21st and Thursday, September 23rd.

The 13th and 22nd are already booked. .

Please let me know if your availability for September 14 - 16 and, if you are not available, alternate dates that will also work.

I would like to get this set up this week if possible.

Thanks, Eric
